**EAST SHERIDAN HILL**  
**Glenn Borkenhagen**  
**JOB NO. 19036**

September 14,  
**DATE:** 2021

**FIELD REPORT NO.** 3

<b>Owner:</b> Glenn Borkenhagen	<b>Contractor:</b> Glenn Borkenhagen	
<b>Substantial Completion:</b> NA	<b>Final Completion:</b> NA	To Substantial
<b>Major Items of Equipment on Job:</b>		
<b>Weather:</b> See Below		

THE FOLLOWING WAS NOTED:

**Tuesday, September 14 2021 – Clear and 70° - JDF**

I visited the site to inspect the final material placement. The backslope was filled in at approximately 2% slope to the south. For all purposes he is finished for now with the slope stabilization work. Glenn had placed topsoil up to the crest for seeding that will be done at a later date.
